Egg Donation Information Evening for Recipients

Wednesday 22nd March 2017
6 pm - 8 pm

If you are interested in finding out what egg donation entails and whether it is right for you, then this is the perfect event for you to find out all you need to know about egg donation in the UK.

We have arranged an outstanding panel of speakers, including a **clinician** specialising in egg donation and a **consultant embryologist** with extensive experience in the field - and you will have the opportunity to put your questions to these experts.

In addition, we are delighted to have an **Altrui egg donor** and an **Altrui recipient** who will be able to give you an insight into what egg donation is like from their first-hand experience.

And, of course, you will get to meet the Altrui team.

The venue is:

Hallam Conference Centre
44 Hallam Street, London W1W 6JJ

The event is **FREE** to attend but places are strictly limited so **must be** reserved.
To book your place please email info@altrui.co.uk
